

Rolf's Indoor Facility at Notre Dame

Saturday, March 3, 2012

Our Winter Academy focuses on the three types of short game shots: putting, chipping, and pitching.

What's the difference between pitching and chipping?

How do I recognize when to hit a certain type of shot?

Do I have the right wedges for the way I play?

What's the best way to practice my putting?

These questions and many more are answered in this information intensive academy. Learn in one afternoon what takes other players literally hundreds of hours of trial and error practice!

The academy is held at the Rolf's Indoor Golf Facility located on the University of Notre Dame campus. It is one of the nation's finest indoor practice facilities boasting a 6000 sq. ft. putting green, two cuts of rough, and a bunker.

The Short Game Intensive is instructed by Mark Hamilton, Head Coach for the nationally ranked Saint Mary's College golf team. Coach H has over 25 years of teaching experience with 6 NCAA All-Americans and a National Champion to his credit.

Assisting Coach Hamilton will be Cody Risedoph, Golf Professional at the Warren Golf Course at Notre Dame.
