art, writing, dance, drama & music

► **Art:** Campers will have the chance to experience distinct art forms such as painting, jewelry, wearable art, paper art, and textiles. Whether you are sculpting, making friendship bracelets or angel wings, or designing your own garment, you'll be bringing your own masterpiece to life inside Saint Mary's professional art studios.

► **Dance:** Each dance class will have a distinct rhythm as campers develop skills in memory, musicality, and style. You'll learn dance history and vocabulary as you explore ballet, jazz, and modern dance. The Saint Mary's Dance Studio is complete with a sound system, mirrors, and a dance floor—an ideal space to express yourself through movement.

► **Music:** Classes feature an immersion in the basic elements of music. Past campers have created their own musical instruments, sung Broadway musical selections, and made the most of brooms and trash cans in their own version of the exciting musical show *Stomp*. You are invited to bring a musical instrument from home if you wish to share your talent.

► **Creative Writing:** Embrace the world of words in sessions designed to build a strong and distinctive writing voice. Learn to express yourself on the page through unique exercises that include reporting, writing ad jingles, poetry slams, monologues, or writing a love letter to your favorite food.

Cost includes: meals, lodging, instruction materials, and a field trip.

Whether you're experienced in the fine arts or not, you're welcome to enroll in Saint Mary's Fine Arts Camp at your individual skill level. The only requirement is the desire to learn and join the fun.

Film Camp

science, film, and theatre

Saint Mary's Summer Academy is a residential camp designed to introduce campers to the academic experience and thrill of college life. These camps are designed for motivated students who are interested in academic studies, cultural pursuits, and an experiential immersion in a specific academic discipline. Three weeks of in-depth study and field trips are offered.

Forensic Science • July 8–13

Campers are summoned to a staged crime scene to participate in fact finding and evidence gathering in the hope of solving the crime. Through biology, chemistry, mathematics, and deductive reasoning, you will work with fellow campers to weigh your evidence and apply your findings in the quest for the culprit. A field trip to an actual crime lab is included in this week. You'll share the results of your investigation in a public forum for friends and family on Friday.

Theatre Camp • July 15–20

At theatre camp you will explore character, voice, movement, and performance techniques in classes designed to help you realize your stage potential. Afternoons will be spent rehearsing a play, which you'll perform in the Little Theatre on Friday for friends and family.

Film Camp • July 22–27

In this intensive course, you will learn how to write, film, and edit your own short films. Students also serve as crew assistants for each other during the week. Morning sessions will involve work in the editing studios, learning the basics of visual storytelling, and production and editing. You'll spend afternoon sessions filming your pieces. A mini-film festival will be presented for friends and family on Friday.

Limited need-based scholarships are available. Scholarships do not exceed \$250 per camper. Deadline to apply for a scholarship is April 1, 2012.

She's in good hands.

Meals: Sodexo is the food provider for Saint Mary's College. As the leading food management services company in North America,

Sodexo provides summer guests with a variety of tasty and nutritious options at each meal. The Noble Family Dining Hall is an "all-you-care-to-eat" facility. Visit saintmarys.edu/dining for more information.

Phones: Camps at Saint Mary's have a no-phone policy in place for all campers. Because this may be the first experience away from home, some campers may experience separation anxiety. The staff, counselors, and instructors are dedicated to making this period of adjustment as comfortable as possible for everyone involved. The phone policy has been established for the welfare of the entire camp program. In an emergency, parents may contact their children through the camp office or the camp director.

Homesickness: Homesickness may be an issue at camp, especially for those campers who are away from home for the first time. Staff members have been trained to react to homesickness with compassion and sympathy. Our counselors will help homesick campers focus on exciting camp activities, making new friends, and the fun atmosphere of the experience.

Residence Halls: Campers stay in residence halls at Saint Mary's that feature 24-hour desk staff. Counselors are housed in close proximity to their campers, and a nighttime supervisor is on call and available from 8 p.m.–8 a.m. Saint Mary's Security staff is available and accessible at all time. Campers may request specific roommates prior to coming to camp at Saint Mary's.

Counselor Spotlight

► **Experience, talent, and fun at Saint Mary's camps.**

Our Counselors are really cool— and they know their stuff!

This summer will mark Katey Wagner's third year as a counselor for summer camps. The senior education major from Burr Ridge, Ill., is currently a student teacher working with first graders at Saint Anthony de Padua and students in the special education program at Lincoln Primary in South Bend.

She loves working with children and enjoys any kind of craft project—especially making Halloween costumes. This is what drew her to apply as a Summer Camps Counselor in 2010. She hopes to spend one more summer at Saint Mary's before jumping into the job market after graduation in May.

*"I think that Saint Mary's is the happiest place on earth and I love my professors and friends."
-Katey*
