

How can alumnae utilize the ARN?

If you in the process of looking for a new job, you may use the ARN to aid you in your search. The search can be done by geographical area and by occupational codes. Before contacting the Alumnae Relations Office with your request, please choose the particular area of the country of focus and the occupational codes that match your field of interest. The list of occupational codes is listed below. Contact the Alumnae Relations Office (alumnae@saintmarys.edu or 574-284-4578) with your request. Once the office receives it, a confidential list of alumnae living in the area with the codes you have selected will be compiled and sent to you. If the alumna is a member of the ARN, you will receive her full contact information. If she is not, you will only see her occupation information and ID#.
